Torenstraat 25, 3110 Rotselaar

 1000 m²

Discover this quietly located 1,000 m² plot, perfect for a semi-detached house.

House number 25 in Torenstraat is located in a charming neighborhood of Rotselaar, with nearby amenities and recreational opportunities. With a street width of 13.55 meters and a depth of 86.50 meters, this land offers plenty of space for your dream project.

On lot 1, with a total area of 10 ares, a single-family home can be built in a semi-detached configuration. The house must have a lateral building-free strip of at least 6 meters wide. The building line aligns with that of Torenstraat 27, 6 meters from the axis of the road in front, and on the building line, with a maximum building depth of 10.3 meters. The main building must feature a gable roof and a cornice height of 6 meters.

Extensions and outbuildings are also allowed outside the building zone. Ground-floor extensions adjacent to the main building are permitted up to a maximum building depth of 15 meters. The cornice height of the extension is limited to 3.5 meters, with a free roof shape. A terrace is allowed up to the shared property boundary of lots 1 and 2, with a maximum depth of 4 meters.

Large west-facing garden: Enjoy the sun in the afternoon and evening. Excellent accessibility: Easy access to public transport and good connections to the E314.
