Cozy family home with 2 garages in a prime location in Mechelen

You'll find this charming family home on a quiet, child-friendly street just outside Mechelen's city ring road.

As you enter, the authentic staircase in the entryway immediately catches your eye. The bright, open living space is divided into a cozy sitting area and a dining area that flows seamlessly into the open kitchen. Thanks to the view of the garden, you can enjoy a pleasant connection to the outdoors here. On the ground floor, you'll also find a storage room and a separate laundry room with the option to install an additional toilet.

The first floor features two bedrooms and a bathroom with a bath/shower combination, a vanity, and a toilet. The attic also offers the possibility of creating an additional bedroom, provided a fixed staircase and a skylight are installed.

The low-maintenance garden with artificial grass faces south and provides access to the first garage. Adjacent to it is a second garage; both are equipped with an automatic sectional door and a connecting door between the garages.

Thanks to its ideal location, you can enjoy easy access (near the E19 and shops) combined with the tranquility of a pleasant living environment.

The house with one garage and the second garage are currently rented out and generate a monthly rental income of 1,135.
